ANDERSON ENERGY LTD. ANNOUNCES APPOINTMENT OF CHIEF OPERATING OFFICER

Calgary, Alberta, July 9, 2009 - Anderson Energy Ltd. (TSX: AXL) is pleased to announce the promotion of David M. Spyker to the position of Chief Operating Officer. Mr. Spyker is a professional engineer and one of the founding members of Anderson Energy Ltd. He has served as Vice President, Business Development of the company for the past seven years where he has provided strategic direction with respect to acquisitions, longer term production growth initiatives, property divestments and corporate plan development. Prior to joining Anderson Energy Ltd., Mr. Spyker was the Manager of Business Development at Anderson Exploration Ltd.

In his new role, Mr. Spyker will oversee all aspects of the company's operations in addition to retaining his business development responsibilities. Mr. Spyker's focus over the next year will be on the execution of the Edmonton Sands farm-in program and on the reduction of costs in the field. Mr. Spyker will continue to report to the President and Chief Executive Officer. The Board of Directors and management congratulate Mr. Spyker on his promotion and are confident that he will continue to contribute significant value to the company in his new role.

Anderson Energy Ltd. is a resource based natural gas development company, with a focus on the Edmonton Sands play in Central Alberta.
